

Children's Garden Club 2017 -2018

Learn how to garden in St. Louis County from the experts of the Children's Garden Club. Meetings are held at different locations throughout St. Louis City and County at 9 a.m. on the first Saturday of each month (except July & September). The Children's Garden Club is designed to educate and bring delight in gardening and horticulture through projects that participants begin themselves and take home to grow and enjoy. All programs are free, courtesy of our sponsors and St. Louis County Parks
