St. Louis County Personnel adds new Retirement Specialist

We send our best wishes to **Dana Hutchings**, the St. Louis County Retirement Specialist from 1999 to November 2006. Dana started with the County in December of 1994. She moved to the Personnel Division in March of 1996, and then on to the Benefits and Retirement office. Her friendliness, organizational skills, and retirement knowledge will be greatly missed. Dana lives in Illinois, and with all the traffic pattern changes coming with the renewal of Highway 40, she felt that it would be a good time to seek employment closer to home. Our loss is Illinois' gain. Congratulations on your new employment, Dana.

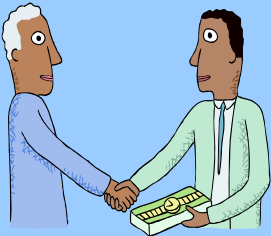

Sharon Jones is our new Retirement Specialist. She started January 16, 2007 and is getting wonderful instruction from Sue Kane, Sue Ellison, and Y'londa Mitchell, the other Retirement and Benefits members. Sharon started with the County in November of 1999. She worked in the Procurement Division until her start with Retirement and Benefits. She has previously worked 10 years for an Insurance Agency, received a teaching degree and certification to work as a substitute teacher for 7 years, then started with St. Louis County. She really enjoys working with people and serving their needs.

St. Louis County Retirees Win Lottery

By Sue Ellison

Recently two County retirees won the \$254,000,000.00 Powerball Jackpot. The retiree who had the winning ticket was retiree, James Wilson. James worked for St. Louis County in the Department of Public Works as a Maintenance Foreman for twelve years. Jim's youngest son, Terry, also worked for St. Louis County as a Building System Foreman for thirty-two years. Jim retired on July 1, 1985, and son Terry, retired on October 1, 2006.

The Wilsons are very happy, but a bit overwhelmed. The Winner only had one ticket, so see – you don't need to spend your whole retirement benefit on tickets to win. Our congratulations and well wishes go out to the Wilson family.
