

1005.410 Preliminary Plat Approval of a Subdivision Prior to Adoption of Ordinance.

The remaining sections of any subdivision having been given preliminary approval within three (3) years prior to the adoption of this Ordinance, for which one (1) or more record plats have been filed in the Office of the Recorder of Deeds within six (6) months after the effective date of this Ordinance, shall be permitted to continue to develop under the provisions of the existing Subdivision Ordinance of St. Louis County provided the remaining sections are recorded within two (2) years after the effective date of this Ordinance, or unless the time is extended by resolution of the County Council. (O. No. 12035 - Adopted 4/25/85)
