Thank you for your interest in Saint Louis County Animal Care & Control. We appreciate you taking the time to fill out this application. We will be reviewing all applications and conducting interviews after contacting references and previous organizations that you have worked with. We have a certain number of volunteer positions open and will fill them as they become vacant. Applicants will be selected based on applications, interviews, and reference checks. Not all applicants will be selected for vacant positions. We will keep all applications on file for six months.

Thank you again for your interest in Saint Louis County and for your passion and dedication to the animals.
