

**Verification of Compliance with Suction Entrapment Hazard
Saint Louis County Public Water Recreation Facilities Code Section 2.13**

Facility Name _____

Street Address _____

City and Zip _____

Name of Owner/Operator _____

Number of water recreation facilities at the site _____

I verify that I am the owner/operator of the above named pool or spa and that I have had the pool(s) inspected for compliance with Section 2.13 of the Saint Louis County Public Water Recreation Facilities Code. The facility has met the requirements by the installation of an anti-entrapment drain cover that complies with ASME/ANSI A112. 19.8M R96 **and** one of the following four options:*

- A single outlet (main drain) equipped with an eighteen by twenty-three inches (18" X 23") or larger grate; **or**
- A minimum of two outlets (main drains) spaced at least three feet (3) apart; **or**
- A single outlet (main drain) protected by a safety vent pipe or a safety vacuum release system; **or**
- Another method approved by the Director of the Department of Health. *Please describe:*

Signature of owner/operator _____ **Date** _____

Name of licensed pool professional _____

DBA _____ **Date of inspection** _____
