VEGETATIVE GRINDER CONSTRUCTION/OPERATING PERMIT APPLICATION

Instructions: Complete the application and submit with applicable fees. For facilities with multiple grinders, adhere to the following: for like grinders, utilize one application. For multiple grinders with physical differences (horsepower, etc.), separate applications are required for each grinder. Submit with the application a site map drawn to scale depicting the location of all grinders, buildings, property boundaries and any other operations on site that are associated with the grinding process. **Dust control is required at all times. Materials other than vegetation may not be processed. Grinding unapproved materials will result in the immediate revocation of permit(s).**
