

## Our Mission

The Creation Station is a hands-on learning environment dedicated to exposing children to all modes of transportation while enriching early learning skills.

## Block Party

Twice a year The Creation Station Crew will host a *Block Party* for The Creation Station Donors. We'll *block* out some dates...and send more information as the dates approach.

## The Starting Block \$100.00

We've *blocked* out a special place on 'The Creation Station' wall to recognize those people contributing to the on-going development of our education programs. A 4" x 8" hardwood play block can be inscribed as you wish!

## One Square Block \$50.00

These square play blocks won't be on the wall...they will be played with everyday! We'll inscribe your child or grandchild's first name and last initial on a play block. Imagine, each time they come to play, they'll want to find their special block! What fun!

## Yes, I want to help keep young minds-in-motion!
