CAMPING SITES

Camping sites consist of a fire pit and tables, although many may contain specialized facilities which are more fully described on the reverse side of this page. Some sites are intended primarily for groups such as scouting organizations, while others are designed to accommodate family units.

Water and restrooms are available in the park, though not necessarily near the campsites.

The reverse side of this page list campsites in St. Louis County Parks and gives the specific fee for each. These facilities are intended for day/overnight camping purposes and are not reservable for picnics.

Fees apply throughout the year and are assessed on a per night or per day basis. The maximum length of stay is three (3) consecutive nights. Check in time is 12 noon, check out time is 11:00 am.
