

April 24, 2009

This is to notify you that the St Louis County Mechanical Code Review Committee is about to begin the process of reviewing the 2009 International Mechanical Code and 2009 International Fuel Gas Code for consideration for adoption by St. Louis County. St. Louis County currently enforces the 2003 International Mechanical Code. Mechanical contractor licensing is not within the scope of this review.

Code change proposals must be submitted in writing utilizing the Mechanical Code Review Committee's Code Change Proposal Form, copy attached.

Scheduled meeting announcements are posted on the County's web site on the Public Works page, www.stlouisco.com/pubworks/notices. Meetings will generally be scheduled for every other Thursday at 7:30am with the first meeting to be May 7, 2009. The web page should be consulted to verify future meeting dates.

You are cordially invited to attend these meetings.

Sincerely,

Richard Hodel, P.E.
Secretary to the Mechanical Code
Review Committee
