GENERAL INSTRUCTIONS

Asbestos abatement projects of a magnitude of ten (10) square feet, sixteen (16) linear feet or greater are required to submit post-notification to the department within sixty (60) days of the completion date submitted on your initial notification or application form to the department. This post-notification shall include a signed and dated receipt of the asbestos disposal slip(s) as well as the final clean air results. These documents as well as the completed post-notification form shall be mailed to the following address:

St. Louis County Department of Public Health
Air Pollution Control Program (Asbestos)
6121 North Hanley Road
Berkeley, MO 63134
